OPEN CALL FOR APPLICATIONS FROM VISUAL ARTISTS FOR A 1-MONTH STUDIO PROGRAMME

Deadline to submit:	Friday 24 March 2023, 5PM
Location of studios:	West Berlin - Full address disclosed on selection
Duration of Programme:	1 Month from 1st April 2023
Results for participation:	27th March 2023, 5PM

Following the launch of Roman Road Studios in March 2023 with a first cohort of artist in London (UK), Roman Road is pleased to announce the second cohort under Studio Programme will take place in Berlin (Germany) starting in April 2023.

Advancing on its mission to create a cultural and community-driven space fostering collaboration and cross-pollination of artists' practices, Roman Road Studios seeks to provide opportunities for artist to expand the parameters of their practices through tailored studio programme taking place internationally through Roman Road's network.

As part of this opportunity, Roman Road Studios will provide shared studio space and a tailored programme during which artists will have the chance to discuss and receive expert guidance on their practice and upcoming new projects through individual sessions with Marisa Bellani -founder and director of Roman Road- leveraging more than 10 years of experience working with artists and collaborating closely with leading private and public institutions internationally.

With its launch, Roman Road Studios seeks to bring together talented and highly driven artists to integrate with Roman Road's community and to create unique collaborations amongst a variety of practices and skillsets.

Aiming to foster ongoing collaboration and exchange of ideas amongst participants, Roman Road Studios is looking for individuals who want to explore their practice further and are willing to commit to a month of working towards a goal set at the start of the Studio Programme.

As The Studio Programme will immerse participants in a multidisciplinary and stimulating environment whereby new exchanges of ideas and synthesises of different approaches are invited, Roman Road Studios is looking for two individuals keen to explore beyond their current practice, and for projects that will contribute to this spirit.

ROMAN ROAD STUDIOS PROGRAMME INCLUDES:
